NAVIGATOR CENTRAL PARK

Representing calm in the midst of a bustling city, the new Central Park theme is inspired by one of the world's foremost urban parks. Offered in a quintet of exterior colors, including the striking Manhattan Green Metallic,¹ this harmonious theme features Urban Green Venetian leather seating surfaces with Skyline micro-perforation, plus open-pore Walnut wood trim with laser etching of the park's scenic pathways. It will be your soothing oasis.

NAVIGATOR INVITATION

Evoking the intrigue of a finely crafted invitation to an exclusive evening, the new Invitation theme entices with the richness of open-pore Khaya wood trim and Black Onyx Venetian leather seating surfaces. Industry-first, dual-laser wood etching delicately balances blooming branches with trellis forms, while the pergola-inspired micro-perforation patterned seat inserts enhance the sophistication with their geometric motifs. It's an experience like no other.

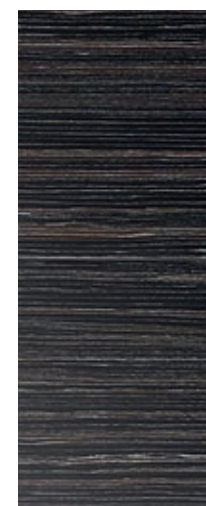

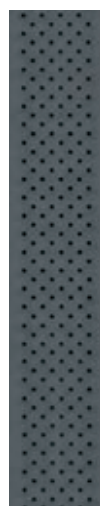

NAVIGATOR YACHT CLUB

Capture the magic of a light breeze and calm seas on a warm summer day with the refreshing beauty of the Yacht Club theme. All 3 rows of seats have Coastal Blue Venetian leather seating surfaces with linear micro-perforation patterned inserts. Whitewashed Teak trim reinforces the nautical tone, while Sand-colored Dinamica® gives the headliner its pleasantly soft finish. It's all inspired by the finest yachts.

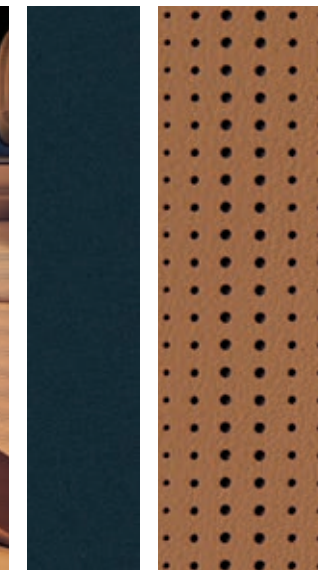

NAVIGATOR CHALET

The majestic Chalet theme is designed to awaken your senses to the invigorating luxuries of a mountainside getaway. Alpine- and Espresso-colored leathers commingle in this alluring space featuring Venetian leather seating surfaces with Lincoln Star perforation patterned inserts and a luxurious Alpine-colored Dinamica headliner. Soothingly linear Silverwood appliqué guide you toward rejuvenating peace.

AVIATOR FLIGHT

Take control with the Flight theme. Luggage Tan-colored Savannah leather seating surfaces for the 1st and 2nd rows feature Runway perforation patterned inserts beckoning to your inner pilot. The suede-like feel of the Ebony-colored Dinamica® headliner further elevates cabin ambience, while Darker Full Engine Turn aluminum appliqué feature a circular pattern that pays homage to the instrumentation inside early aircraft.

AVIATOR DESTINATION

The sumptuous Destination theme makes every trip a richly textured journey. The Mahogany Red leather-wrapped interior features premium Savannah leather seating surfaces in the 1st and 2nd rows with dazzling Diamond Weave perforation patterned inserts. Genuine Khaya wood accentuates the horizontal forms of the instrument panel, while the warmth of Mahogany Red envelops you from top to bottom.

AVIATOR CHALET

Awaken your senses to the invigorating contrasts of the Chalet theme. This bold Alpine- and Espresso-colored interior is inspired by crisp mountain air and the comfort of an après-ski lodge. Lincoln Star perforation patterned inserts on the 1st- and 2nd-row leather seating surfaces and the Lincoln Black Label Star logo on the instrument panel's Silverwood appliqué exemplify the luxuries within this striking space.

NAUTILUS CHALET

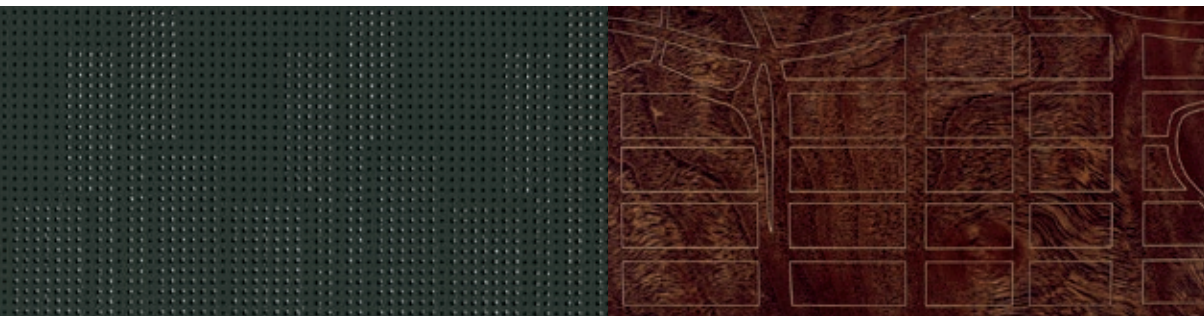

The breathtaking Chalet theme evokes the contrasting pleasures of cool, crisp mountain air and the warmth of a luxurious lodge. The Alpine-colored Venetian leather seating surfaces feature Lincoln Star perforation patterned inserts. Alpine- and Espresso-colored leathers combine with the softness of an Alcantara® headliner and the beauty of Silverwood appliqué to create a welcoming space that inspires rejuvenation.

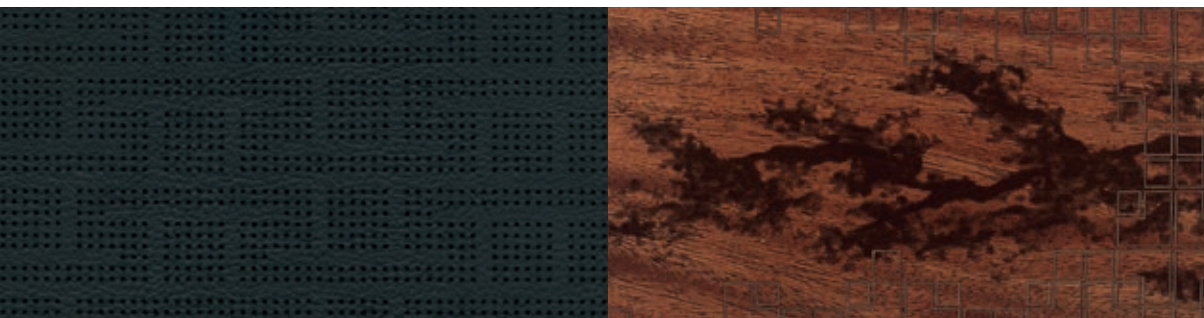

NAUTILUS FLIGHT

Elevate the sophistication of your travels with the Flight theme, newly offered on Lincoln Black Label Nautilus models this year. Runway perforation patterned inserts give the Luggage Tan-colored leather seating surfaces a uniquely linear elegance, while Darker Full Engine Turn aluminum appliqué frame the instrumentation, evoking the sleekness of aircraft design. Alcantara accents on the Black carpeted floor mats give the cabin its finishing touches.
